The Honorable Cathy Seibel United States District Judge Southern District of New York 300 Quarropas Street White Plains, New York 10601

Re: United States v. Tyishawn Jones, a/k/a "Little Trigga," 20 Cr. 693 (CS)

Dear Judge Seibel:

The Government writes to respectfully request, with the consent of the defense, a two-week adjournment of the status conference scheduled for March 19, 2025 in the above-referenced matter. The parties are still in discussions regarding a resolution of the defendant's alleged violations of supervised release in light of the recent DNA analysis produced to the defense and the possibility of an additional criminal charge in connection with the defendant's underlying conduct. A further adjournment will allow those discussion to continue, including for defense counsel to pursue further discussions, as needed, with unit supervisors within the Government.

The Government understands from the Court's deputy that the Court may have availability at 2:15 p.m. on April 3, 2025. The parties and the Probation Office have conferred, and they are all available at that time. Accordingly, the Government respectfully requests an adjournment to April 3, 2025 at 2:15 p.m.<sup>1</sup>

Respectfully submitted,

MATTHEW PODOLSKY Acting United States Attorney

Kevin Sullivan Assistant United States Attorney (212) 637-1587

<sup>&</sup>lt;sup>1</sup> A prior version of this letter was filed listing the date as April 2, 2025. That was a typo, which the undersigned counsel regrets. April 3, 2025 is the correct date confirmed with the Court's deputy, the parties, and the Probation Office.
